Pensacola Historical Society Guild Announces Membership Drive for the Month of September

PENSACOLA - The Pensacola Historical Society Guild is looking for a few new members. Four hundred and fifty to be exact! The 2009 Membership Drive begins September 1st and runs through September 30th.

In 2009, the Pensacola Historical Society merged with West Florida Historic Preservation, Inc., creating a historical powerhouse in Pensacola. As proven by the successful 450th celebrations, Pensacolians are proud of the city's history. Become a part of the Pensacola Historical Society Guild and help us keep Pensacola's history alive for the next 450 years.

Many membership levels are available depending on your needs. Newly included out-of-town memberships are available for those Pensacolians who have traveled afar, but still hold Pensacola dear in their hearts. Benefits for members include free admission to our museum complex in downtown Pensacola and discounts in our museum stores plus much more. Memberships are a vital component of West Florida Historic Preservation, Inc. and provide the financial support to help the organization achieve the mission of preserving Pensacola's history. Members provide the organizational support assisting staff with promoting Pensacola's vast history, but members receive countless more benefits in exchange. Join today and help us reach our goal of 450 members to symbolize our 450 years of Pensacola history! For more information, contact Wendi C. Davis, the Guild Liaison at 850.595.5985 x 111 or email wdavis4@uwf.edu .
Join today.

West Florida Historic Preservation, Inc. is a direct support organization of the University of West Florida, operating the T. T. Wentworth, Jr. Florida State Museum, Historic Pensacola Village, Pensacola Historical Society, and Arcadia Mill Archaeological Site.
